Hi Jill,

Assuming Oregon chooses to use its 319 project grant to take out the rescission and for the 30% holdback, then

Original Amount Allocated: 2,097,000

Rescission	<u>13,700</u>
------------	---------------

Current Allocation	2,083,300
--------------------	-----------

30% holdback	624,990
--------------	---------

Proposed 319 Grant Workplan	712,351
-----------------------------	---------

Rescission	<u>13,700</u>
------------	---------------

Revised Amount	698,651
----------------	---------

30% Holdback	<u>624,990</u>
--------------	----------------

Remaining Available for Use	73,661 (10.3% of the proposed workplan)
-----------------------------	---
